ASKS RECOUNT OF VOTE CAST FOR THOMPSON

A. S. Wells Contests Election of Wyoming Supervisor.

Through his attorney Harry Edwards, former Supervisor Arthur S. Wells, of Wyoming township today filed a petition with Judge John B. Crabtree in the Lee County Court, contesting the election of G. W. Thompson as supervisor from that township, and asking for a recount of the ballots cast at the township election on April 1, in which the township election judges decided that Mr. Thompson had received 114 votes and Mr. Wells, 112. According to Mr. Thompson and he took his seat as Supervisor from Wyoming in the recent meeting of the board.

In the petition on file the County Court Mr. Wells alleges that one ballot counted for Mr. Thompson was marked with a cross in the square in front of Mr. Thompson's name; and that other ballots counted for Mr. Thompson were marked outside the square.

Accordingly, Mr. Wells claims these ballots had not been counted the total would have shown more votes cast for the petitioner than for the defendant, and therefore the certificate of election should be issued to the petitioner.

The summons issued in the case, which Sheriff Schoenholtz expected to serve on Mr. Thompson this afternoon, are returnable before Judge Crabtree on June 2nd.

PLAN BIG ARCH IN HONOR CO. G ON ITS RETURN

First Meeting of Committee Was Held Last Evening.

The members of the committee named by Mark D. Smith Tuesday evening to take charge of the welcoming and entertainment of Company G and other Dixon soldiers, sailors and nurses, held their first meeting last evening in the parlors at the Elks club. Various plans were discussed but nothing of a definite nature was decided upon.

Every citizen of Dixon is requested to take upon himself to be one of the committee on reception. For the purpose of organization, the following general committee has been named:

Reception committee—Mayor Mark D. Smith, Commissioners John J. Armstrong, George Campbell, Frank Palmer and William V. Stothower, Henry S. Dixon, C. H. Bokhof, A. P. Armstrong, J. W. Mitchell, Henry Schmidt, A. S. Varner, Judge R. S. Farrand, Rev. H. L. Lumsden, Rev. F. D. Altman, Rev. Michael Foley and Representative John P. Devine and A. T. Tourtellot.

Finance Committee—Charles E. Miller, William Nixon, William F. Hogan, E. Lennon, Tim Sullivan, Harry Stephan and A. W. Leland.

Speakers' committee—George C. Dixon, W. B. Brinton and E. H. Brewster.

Publicity Committee—Frank Cahill, J. L. Fulmer and C. G. Preston.

Parade and Music Committee—Louis Hatcher, George Fruin, W. V. Gilbert, M. Goodwin, J. H. Kenneth, George V. Smith, Edward E. Dysart, Sam (Continued on Page Four.)

SUNDAY FUNERAL FOR MRS. HEATON

The funeral of Mrs. Anna Heaton, who passed away Thursday morning, will be held at 3 o'clock Sunday afternoon at St. Paul's Lutheran church, Rev. F. D. Altman officiating. The funeral party will leave the home of her daughter, Mrs. Jesse Brink, east of the city at 2:15 o'clock.

In the death yesterday of Mrs. Margaret Heaton probably one of the oldest pioneer settlers of Lee county passed beyond. She was a resident of this vicinity for over eighty-three years, coming here when but a small child with her parents, Mr. and Mrs. Nathan Hetter, from Pennsylvania. Her brother, John Hetter, was probably more widely known, as Mrs. Heaton lived the unobtrusive life of a gentlewoman in the old school. Her husband served in the Mexican War and she was the last of the Mexican War widows in this region.

JUNIOR PLAY TONIGHT.

The Junior Class of the North Dixon High school will present the play, "What Happened to Jones," at the Dixon opera house this evening at 8:30. The ticket sale has been good and a large crowd is assured to witness what promises to be one of the best of amateur presentations of this season.

From Overseas.—Relatives have received word of the arrival in New York of Herbert Nichols and Walter Barry, who have been in service overseas.

SEEK INFORMATION

The Committee in charge of arrangements for the reception for Company G is compiling a list of all Lee County soldiers, sailors and nurses who have been discharged from service. They want the assistance of everyone having any knowledge of these. Please give them these names and addresses. Write or telephone Publicity Committee, Dixon, Ill. Telephone 60 or K644. (Other Lee County papers please copy.)

MEMORIAL ASSN. TO MEET THIS EVENING

All Patriotic Citizens Are Asked to Attend This Session.

Every patriotic citizen of Dixon is asked to attend the meeting of the Dixon Memorial Association which will be held at the G. A. R. hall in the city building this evening; for the organization, with which all of the patriotic orders of the city are affiliated, will henceforth have charge of arrangements for Memorial Days, which in the future will be of special significance, since the veterans of all wars are to be honored, and fitting tribute will be paid to all of the nation's deceased heroes.

The Dixon Memorial Association, the success of which many well known and busy Dixon men are devoting time and money, was formed to take from the shoulders of the few remaining brave boys of the G. A. R. the worries and work necessary to arrange Memorial Day celebrations. The scope was enlarged to take, in the veterans of '98 who served the nation so well in the war with Spain, and now the boys of 1918 are to be included.

Soliciting Funds.—Because of this it is thought every citizen should take an active interest; therefore the invitation is extended to all to attend this evening's meeting and to participate in the final arrangements (Continued on page 4.)

GERMAN-BOLSHEVIK UNION IS PROPOSED

By Associated Press Leased Wire. Berlin, May 9.—"There is only one immediate solution—peace with Russia and the use of the bolshevik troops for Germany," Herr Geisberts, one of the German delegates at Versailles, is quoted by the Neue Zeitung as declaring with reference to the peace terms submitted.

Other of the German delegates are quoted by the newspaper's Versailles dispatch as follows:

Herr Landsberg—"The cruel announcements of the press have been exceeded. No verbal objections can be handed over. We can do nothing but say 'yes' or 'no.' That is the quintessence of a peace of force."

Professor Schuecking—"The document is simply awful."

Nicaraguan Troops March on Revolvers

By Associated Press Leased Wire. Managua, Nicaragua, Thursday, May 8.—(Delayed.)—President Tinoco, of Costa Rica has three columns operating against revolutionists near the Nicaraguan frontier. The principal force occupies the town of Liberia. A force of revolutionists advanced today from La Cruz, on Lake Nicaragua, to the Santa Rosa cattle estate, which is famous as the scene of the defeat of Walker's filibusters in the '50's.

ALLIED LEADERS MAY RECOGNIZE KOLCHAK POWER

New Russian Leader to Gain Support for His Government.

By Associated Press Leased Wire. Paris, Thursday, May 8.—(Delayed.)—The movement for the recognition of the government of Admiral Kolchak at Omsk by the allies and the United States as the de facto government in Russia is supported so generally in Paris that announcement of such action any day would not be surprising.

President Tschalkowsky of the northern Russian government in Archangel has consented to recognize the Kolchak government as the central government of Russia on condition that the Archangel and other local governments are permitted to retain control of local affairs. Similar action is expected on the part of General Denikine, the head of the Cossack government at Ekaterinodar, whose advisors in Paris have recommended it.

Kolchak Moves Forward.—According to dispatches received by the Russian committee in Paris, Samara, an important point on the Volga, has been evacuated by the bolsheviks, and Kolchak's forces are moving rapidly toward the Volga in pursuit of the retreating bolsheviks.

The various Russian factions in Paris are apparently coming together on a platform providing for the support of any government which guarantees a constitutional assembly election by universal suffrage. Former Premier Kerensky who is in Paris opposes the government of Admiral Kolchak, but the admiral's repeated promises of a constitutional assembly apparently have satisfied most of the Russian radicals in Paris.

It appears probable Admiral Kolchak will be asked by the great powers to restate his program, giving assurance that the future of Russia will be decided by a popularly elected body, before recognition is granted.

STATE CIRCULARS FOR COUNTY SCHOOLS

Co. Supt. L. W. Miller has received from the office of State Supt. F. G. Blair a supply of Memorial and Peace Day Booklets for distribution to the schools of the county, and any who may desire copies may obtain them by applying to him. The circular, which was compiled by H. T. Swift of the Department of Publicity, is one of the finest ever issued by the State Superintendent's office and contains much valuable and interesting material.

NO EXERCISES AT FRANKLIN THIS EVE

The second postponement this week of graduation exercises for pupils of the rural schools is announced today from Franklin Grove, where sickness of some of the class members has caused the decision to hold the commencement at a later date. The first postponement of the week was of the exercises to have been held at the Pope school in Hamilton township, bad weather causing that continuance.

Barleson to Report Condition Wire Cos.

By Associated Press Leased Wire. Washington, May 9.—Postmaster General Barleson announced that the wire control board was preparing a statement showing the financial operations of each of the telegraph and telephone companies during the period of government control. The statement will be used by congress in preparing legislation for the return of the properties to their owners.

22 Bandits Rob Bank, Kill Police, Escape

By Associated Press Leased Wire. Douglas, Ariz., May 9.—Twenty-two mounted bandits last night raided the town of Cananea, Sonora, robbed a bank, killed five police officers and the city jailer and released all prisoners.

The chief of police was among the officers killed. The bandits stole a number of horses and a despatch to the mountains.

Afternoon Sessions of House Are Planned

By Associated Press Leased Wire. Springfield, Ill., May 9.—Beginning next week, Speaker Shanahan announced today, the house will hold afternoon sessions. This will make it necessary for committees to meet at night.

Only advancement of bills on which there is no contest was the order of business today. The house adjourned until 5 p. m. Monday.

Mr. and Mrs. Victory McNutt and Victor, Jr., were expected to arrive today to visit at the home of the former's sister, Mrs. T. J. Gullion, and to attend the North Dixon Junior play this evening in which Miss Dorothy Gullion is one of the cast.

GERMAN PRESS SAYS PEACE TREATY WILL NOT BE ACCEPTABLE

Assails Pact as Being An Instrument of Plain Robbery.

By Associated Press Leased Wire. Berlin, Thursday, May 8.—(Delayed.)—condemnation of the peace terms is expressed by all newspapers here, those of the extreme right referring to the conditions as "unfulfillable" and to the treaty as "an instrument of robbery."

The Tages Zeitung says: "One thing is certain; there can be no question of this being a peace of justice. What a peace of justice after the entente pattern and in accordance with French desires looks like is shown by the conditions which leave nothing of Germany but a torn and shattered territory."

The Freiheit says that compared with the policy Germany pursued at Brest-Litovsk, the entente peace "must be termed quite moderate," but is regarded with "sharp contradiction" with President Wilson's "fourteen points," and that if peace is to be built on this compromise it assuredly can have no firm and lasting foundation.

"A peace of annihilation" is the caption used by Vorwarts, which says there is "a ruthless desire to lay Germany permanently low by force. If we sign this peace it is because we are bound by force but in our hearts we resolutely reject it. Such a peace is an attempt to exterminate a nation, not by force of arms but by a means more brutal, economic slavery."

PANHANDLING BY SOLDIERS TO BE STOPPED

War Department Asks Police to Help in Campaign.

The chief of the local police department is in receipt of a lengthy communication from the war department office at Washington, which concerns some valuable information governing the practice of "panhandling," as it is better known to police or begging by men wearing government uniforms. The letter is a personal one written by Arthur Woods, assistant to the secretary of war, in which he says in part:

"You know as well as I how grateful the country is to those who have served in the military and naval forces, and how certain it is that no discharged man has to resort to panhandling for a living. You know as well as I that the 'cooties' who send them out to do this sort of thing are doing it simply to play upon the public sympathy which the uniform arouses and will continue to arouse for a long time to come. The men sleeping in the Flanders Fields and in the Arizona, and on the hills around Chateau-Thierry, who can never come back, and the greatest majority of their pals who are returning to civil life, have made that uniform as sacred as the flag itself; and the police forces of the United States could do no finer thing than to protect it."

Picked Up Two Here.—The writer further states that a majority of the men in uniform that are peddling in the streets never entered the service and are pure frauds. He advises that the police of the country protect the public in demanding that these men secure licenses before being permitted to peddle their wares. Two discharged soldiers were called in to the police station yesterday, both peddling a small book, sheet music and the like here. Neither of them had ever been overseas and came from Chicago. Similar cases have come to the attention of the police this spring but not until the receipt of the letter have they really understood how the government wished that these peddlers be handled.

They will now be required to apply to the city clerk for a license and show their discharge and military record as well as the wares they are peddling. If legitimate, they are furnished a license without charge and citizens have a right to demand to see a license before purchasing any of the novelties that are being flooded upon the people at this time.

LARGEST CLASS TO GRADUATE MAY 29TH

The Dixon High school graduation will take place on the evening of May 29th, and on the evening of May 25th, Dr. F. D. Altman will deliver the baccalaureate address at St. Paul's Lutheran church. This year's graduating class is the largest in the history of the school; it was also the largest upon entering. One hundred five entered in the Freshman year and fifty-three are now on the class roll.

By Associated Press Leased Wire. Paris, May 9.—It was stated in high quarters here today that Thomas Nelson Page, American ambassador to Italy, would resign his post upon the conclusion of peace.

State Postmasters to Meet May 21-22

By Associated Press Leased Wire. Rock Island, Ill., May 9.—President Harry P. Simpson, of the Illinois association of postmasters today announced the eleventh annual convention of the association will be held at Joliet, May 21 and 22. It is the first postmasters' convention held in three years, the meetings having been suspended during the war. Prominent among those to take part are Colin M. Selph, president of the National Association of Postmasters, J. C. Koons, first assistant postmaster general, and General J. E. Stuart, chief post office inspector in charge, of Chicago, Ill.

George Schorr went to LaSalle this morning to spend the day on business.

U. S. SEAPLANES TO LEAVE FROM HALIFAX ON SAT.

NC-4 Which Was Lost Yesterday is Safe at Chatham, Mass.

BULLETIN
By Associated Press Leased Wire. Washington, May 9.—The departure of the naval seaplanes NC-1 and NC-3 from Halifax to Trepassey Bay, N. F., on the second leg of their trans-Atlantic flight has been postponed until tomorrow, the navy department was advised just before noon today, in a radio message from the supply ship Baltimore at Halifax.

Commander Towers explained that it had been found necessary to do some work on the propellers of the planes, but did not go into details. Less favorable weather for the flight tomorrow than that obtaining today was forecast by the weather bureau.

NC-4 IS FOUND

By Associated Press Leased Wire. Chatham, Mass., May 9.—The naval seaplane NC-4, missing since late yesterday, was towed into Chatham harbor by a motor boat from the Chatham aviation station about 5:30 o'clock this morning. The NC-4 was first sighted by a guard at the station. The members of the crew of the seaplane reported that they were comfortable and that they had passed the night on a calm sea. Only one engine of the seaplane was in service, the other having been disabled on the trip from Rockaway.

When sighted at daybreak the NC-4 was trying to reach port under her own power. Seaplanes stationed here were immediately sent out but the crew of the NC-4 signalled that all on board were safe and that although three of the four engines had gone "dead" they had been able to make considerable progress during the night in the smooth sea.

Was 100 Miles Out

The NC-4 was about 100 miles off Chatham on the route to Cape Sable when she was obliged to alight on the water. One of the engines had been giving trouble for some time, but Lieutenant Commander A. C. Read kept his machine going on the other three while efforts were being made to overcome the trouble. More trouble developed and when the flyers finally came down only one engine was working.

Officials at the air station here said the machine would be repaired immediately and probably would return to Rockaway Beach. Whether the return flight would be started today depended on the time required for repairs as well as weather conditions.

TO LAY UP TWO DAYS

By Associated Press Leased Wire. Washington, May 9.—Lieutenant Commander A. C. Read, commanding the naval seaplane NC-4 telephoned the navy department today from Chatham, Mass., that two days would be required to repair the disabled motors which forced his plane to descend yesterday while on the first leg of the trans-Atlantic flight. He said when the engines were in running order he would proceed to Newfoundland to join the NC-1 and NC-3.

Commander Read said he reached Chatham Light at 7:50 o'clock this morning with two of the four motors of his plane out of commission. He did not explain the nature of the trouble with the engines.

UNCOVER MUTINY PLOT IN ENGLAND

By Associated Press Leased Wire. London, May 9.—A conspiracy to induce British sailors to mutiny and soldiers to demobilize themselves by marching out of their barracks has been discovered, according to the Daily Mail. The premises of various persons have been searched and documents seized.

The stations involved the newspapers, include four in France and several in England, while the sailors in naval ports have been circled with a view to inciting them to seize the ports and invite the soldiers and police to join them.

The object of the plot is stated to be to compel the government to use force if the proposed disorders should occur, the organizers believing that this would precipitate anarchy.

WILSON APPEALS FOR SUCCESS OF THE FINAL LOAN

Make Thank Offering He Says—Total is Three Billion.

By Associated Press Leased Wire. Washington, May 9.—President Wilson today issued through Secretary Glass an appeal to the American people to make the victory liberty loan "a great popular thank offering."

The total of the victory liberty loan today went above \$3,000,000,000 but the treasury officials said the exact figures for today's standing could not be tabulated until tonight.

SOMETHING DOING IN DIXON ALL THE WEEK

Plans Completed for Observance of Health Promotion Week.

Sunday, May 11th, to be known as "Health Promotion Sunday," will usher in the most significant week Illinois has ever known in the conservation of human life—a week to which every individual in every public office of responsibility, every one of less importance, in fact all people, will devote themselves to the consideration of what the war has demonstrated to be the state's greatest wealth, the physical health of each one and the community.

The war awakened the American people, who had become so interested in their efforts to commercial, industrial, and intellectual supremacy that they overlooked the fact that health must be the foundation for national pre-eminence.

This week has been set aside by the state department of health. It should be regarded a duty to observe the proclamation of the general assembly and all should give their time, thought and service to make Health Promotion week so successful as to bring lasting results to the people.

Dixon has as its general chairman our mayor, Mark D. Smith, and the one who has entered into this patriotic work and is organizing all committees and looking after every day's plans is Mrs. D. G. Harvey. In this work she is assisted by her sister, Mrs. John G. Ralston. The treasurer and secretary is Mrs. A. P. Arrington. Mrs. G. P. Powell is asking Dixon clergymen to bring up the "Health Promotion" week idea in their churches on Sunday.

"Clean-up day" next Monday, will be in the hands of W. V. Stothower, Mrs. J. H. Hatchelder, Miss Mary Wynn and others who have organized the South Side into precincts and will arrange for the removal of all refuse for those who are unable to attend to this.

On the North Side Mrs. A. C. Dollmeyer is chairman of a committee which is after the deadly fly.

The community bonfire will be burned Tuesday night on the vacant property corner of Ottawa Ave. and River street. Many attractive features have been planned for this bonfire.

Miss Florence Noble is chairman of "Better Baby Day," Wednesday, and has made all plans for the physical examinations of babies, to be held in the vacant store room formerly occupied by the Dixon Grocery Co. Bring all the babies which were examined last fall and find out whether they are improving.

Mrs. H. U. Bardwell, whose interest in the Public School welfare is widely known, is chairman of the committee upon arranging for health talks in all of the public schools.

The pageant, which will take place Saturday evening, will be a fitting close for the week.

Mr. Armstrong and Mrs. W. E. Wuerth are the efficient committee to arrange for floats to be entered. All floats should be attractively trimmed with cloth, hunting, festooning, flags, etc., even though the picture presented on the float is that of a dirty back yard or unsanitary home. The contrast will make the picture even stronger. All floats, whether entered by a social, civic or welfare organization, or by commercial concerns, should illustrate some point of health promotion or disease prevention.

The following are a few suggestions that might be considered:

The danger in the common drinking cup.

The danger in dirty milk.

Many others will occur to those who spend a little thought upon it.

A community dancing party will follow the pageant. The party will be held in the Countryman building and all are invited to attend.

(Signed)
Publicity Committee.

OREGON DUELIST IS PLACED ON PAROLE

Oregon, Ill., May 8.—Martin Engelkes who was held on a charge of assault with intent to kill, the outgrowth of the shooting affair two weeks ago at the Limerick school house entered a plea of guilty as charged in the indictment and was released on strict parole for one year to County Parole Officer E. W. Burchell. Engelkes paid a fine of \$150 in the justice court and costs of close to \$60.00. The case of Delay Sterners held on bonds of \$1,000 on a charge of rape, is set for trial today.

Big Four Make Terms to Reduce Austria to Minor Power.

By Associated Press Leased Wire. Basle, May 9.—(Havas)—The majority faction in the Austrian national assembly, according to a report from Vienna, has decided to renounce the idea of a union of German-Austria and Germany in the interests of Austrians and world peace.

The Austrian peace delegation will leave the Austrian capital for Paris May 11.

GERMANS WILL OPPOSE.

By Associated Press Leased Wire. Paris, May 9.—(Havas)—The German delegates in their answer to the peace terms, the newspapers say, will propose especially to assume the burden of making reparation only for damages caused in northern France and Belgium. The papers say it is not unlikely the allies will refuse the proposition. The German delegates, it is added, also intend to give battle over the question of the Sarre valley, Danzig, the former German colonies and military occupation.

AUSTRIAN NAVY WIPED OUT

By Associated Press Leased Wire. Paris, May 9.—The naval terms of the treaty to be presented Austria, as they have been completed, entirely wipe out the Austrian navy. All the ships of that navy, large and small, are to be surrendered. Their disposition among the allies is to be adjusted later.

ITALIAN CLAIMS CONSIDERED

By Associated Press Leased Wire. Paris, Thursday, May 8.—(Havas)—President Wilson and Premier Clemenceau, Lloyd George and Orlando discussed the diplomatic situation this morning and at a meeting this evening took up the question of Italy's claims to territory on the eastern shore of the Adriatic. The council of foreign ministers considered the problem of the frontiers of Hungary at a meeting today.

BOTH COUNCILS MEET

By Associated Press Leased Wire. Paris, May 9.—Both the council of four and the council of foreign ministers resumed their session this morning. The former is giving special attention to the impending negotiations between the allies and Austria and the latter is discussing reports on the boundaries of former Austro-Hungarian territories.

AUSTRIANS ARRIVE MAY 12

By Associated Press Leased Wire. Paris, Thursday, May 8.—(Delayed)—The Austrian peace delegation is expected to arrive at St. Germain on May 12. Information received from French sources is that the delegation has not as yet left Vienna owing to difficulties encountered in selecting its members because of differences of opinion regarding the proposed incorporation of German Austria in Germany.

CHINESE WILL NOT SIGN

By Associated Press Leased Wire. Paris, May 9.—The Chinese delegation has received cabled instructions from Peking not to sign the treaty of peace because of the Kiaochow shantung settlement.

Instructions to the same effect have been received from the representatives of both the northern and southern governments in the peace conference at Shanghai.

GERMANS ARE DIVIDED.

By Associated Press Leased Wire. Paris, May 9.—The German delegates to the peace conference are considerably divided among themselves in their views on the peace terms submitted by the allied and associated powers, it was intimated today by a high British authority, a Reuters statement says.

FOE TO MAKE PROPOSALS.

By Associated Press Leased Wire. Paris, Thursday, May 8.—(Havas)—It is generally believed that the Germans will answer the delivery of the treaty of peace by proposals relative to certain phases of the document. A competent commission will examine the German answer and if modifications are necessary the Germans will be notified.

It is expected that in this rejoinder the enemy will be allowed four or five days to agree definitely to the whole treaty. It is therefore probable that from 25 to 30 days will elapse before the pact is finally signed.

MORE GERMANS COME.

By Associated Press Leased Wire. Versailles, May 9.—Eight new members of the German delegation have arrived here but as yet they have not communicated with their colleagues who arrived prior to the presentation of the peace treaty.

Among the arrivals was Count Alfred Von Oberdorff, a member of the German armistice commission. He brought credentials as a minister plenipotentiary at the congress and is expected to take an important part in the negotiations.

PEACE SUMMARY

By Associated Press Leased Wire
The Chinese delegation to the peace conference in Paris has received cabled instructions from Peking not to sign the peace treaty because of the settlement made in the Kiao Chau and Shantung controversy, by which Japan was given German rights on the Shantung peninsula.

The Chinese peace conference at Shanghai, where the northern and southern governments are endeavoring to settle their differences, has sent similar instructions to the Paris delegates.

This news confirms recent dispatches from Peking that the Chinese government would not agree to the decision of the council of four. Serious disorders have been reported from the Chinese capital since last Sunday and a report from American Minister Paul S. Reisch to Secretary of State Lansing in Paris yesterday stated that Peking was cut off from telegraphic communication with the outside world, with the exception of one line running northward into Siberia.

The council of four is working today on the program to be followed in the negotiations with German-Austria, having taken up at a meeting held last evening the Italian claims to territories on the eastern shore of the Adriatic.

The council of foreign ministers is devoting its time to a study of reports relative to the boundaries of states formed out of the erstwhile Austro-Hungarian empire. American Ambassador Page is on his way to Paris to make a personal report to President Wilson.

Comment in the German press on the treaty handed the German delegates at Versailles on Wednesday seems to indicate that Germany may sign the treaty, but only under the strongest protest and that the diplomatic efforts of the enemy may be concentrated upon President Wilson meanwhile for modification of the terms. Stress is laid by many of the journals on the argument that the terms of peace in many features are in sharp contrast with his fourteen points.

French socialist organs express themselves as opposed to the treaty because of its drastic measures, and a manifesto issued by the national executive committee of the British labor party says the treaty by its terms will "cause jealousy and unrest leading to further international disputes."

Belgium's delegation to the peace conference has made a protest against the reported decision of the council of four in making Great Britain a mandatory for German East Africa. Belgium, it is said, has interests in Africa which must be considered in dividing up sec-

tions of that continent for administration under the league of nations.

Admiral Kolchak's forces in eastern Russia are moving steadily forward in pursuit of the retreating bolsheviks, having captured a number of important points.

Entente Powers Not Supporting Rumanian Drive on Hungarians

By Associated Press Leased Wire
Paris, Thursday, May 8.—(Delayed)—

It is learned on high authority that there is no foundation for reports that the entente powers either instigated or are supporting the Rumanian advance against Hungary which was undertaken solely on the initiative of Rumania to forestall projected combined operations by the Hungarians and Russians against that country.

It is understood that the government of Bela Kun, in Budapest, entered into intimate relations with Nikolai Lenin, the bolshevik premier of Russia, and that the projected Russo-Hungarian attack was delayed only by the necessity of organizing the Hungarian red army. Rumania decided to take the offensive against Hungary, the nearest and least formidable of her enemies, with the object of securing a good defensive line on that front and occupying lines of communication between Russia and Hungary across the Dniester river and in the eastern Carpathian mountains. The Rumanian advance was facilitated by the disorganization of the Hungarian army, one whole division of five thousand men with thirteen guns, surrendering in a body to the Rumanians.

British Labor Does Not Approve Treaty; Say it is Defective

By Associated Press Leased Wire
London, Thursday, May 8.—(Delayed)—

After meeting to consider the terms of peace, imposed upon Germany by the allies and associated nations the national executive committee of the British labor party tonight issued a manifesto declaring the treaty in some essential particulars "opposed to the declarations of President Wilson, of the inter-allied labor conference and the Berne conference, and very defective from the standpoint of world peace."

"It bears evidence of a compromise by capitalism and imperialism which still dominate European states," the manifesto declared. "Any permanent denial of Germany of an opportunity to become a mandatory under the league of nations must cause jealousy and unrest leading to further international disputes."

Other points criticized were the failure to give Germany representation on the reparations commission and the omission of provisions for a progressive limitation of armaments by the other signatories to the treaty. The manifesto protested against the permanent separation of the Saar basin from Germany and advocated a plebiscite in Malmedy and other contested territories between Belgium and Germany.

"Old Number One" Still on the Job

It was F. Gasperich, owner of OilPull No. 314, one of the first 30-60's built—and also still on the job—that first told us about "Old Number One."

"There is a bit of sentiment attached to the OilPull machine, familiarly called 'Old Number One,'" he wrote. "It has been in our vicinity ever since its purchase in 1910 and is still on the job, running better than many new tractors of other makes. It is owned by Frank Schultz, of Agar, S. Dak., and I don't believe there is a man in this state who has done more plowing and threshing with OilPull machines. Recently I had an opportunity of witnessing the performance of this old OilPull and I will say that it is still a marvel of reliability."

So we asked Frank Schultz to tell us of his experience with the pioneer OilPull, and he writes as follows:

"I have done more work with my 30-60 OilPull tractor than any other engine around this part of the country. I don't know just how many hundreds of acres it has plowed or how many it has threshed, but she's always been on the job and never lacked for power."

"Some of my neighbors have so-called oil burning engines, but when they get down to a hard pull, they're a lot better on gasoline. Many a time I've had 'Old Number One' running on heavy load all day without a stop and she never overheats. This I don't believe any other tractor owner in this part of the country can say. As far as burning kerosene is concerned, it is the only real kerosene burner that I know of."

"And the OilPull has a lot of reserve power,

which a fellow needs going up steep hills breaking sod in South Dakota. It's the only engine I know that is under-rated."

"The OilPull has more bearing surface and larger shafts than any tractor I've ever seen. I also like the heavy foundation to hold the motor and gearing in place. The carburetor is as simple a mixing device as can be made."

"When you see the OilPull work in the belt you realize the power it develops—how steady the power is and how easily it handles the largest separator."

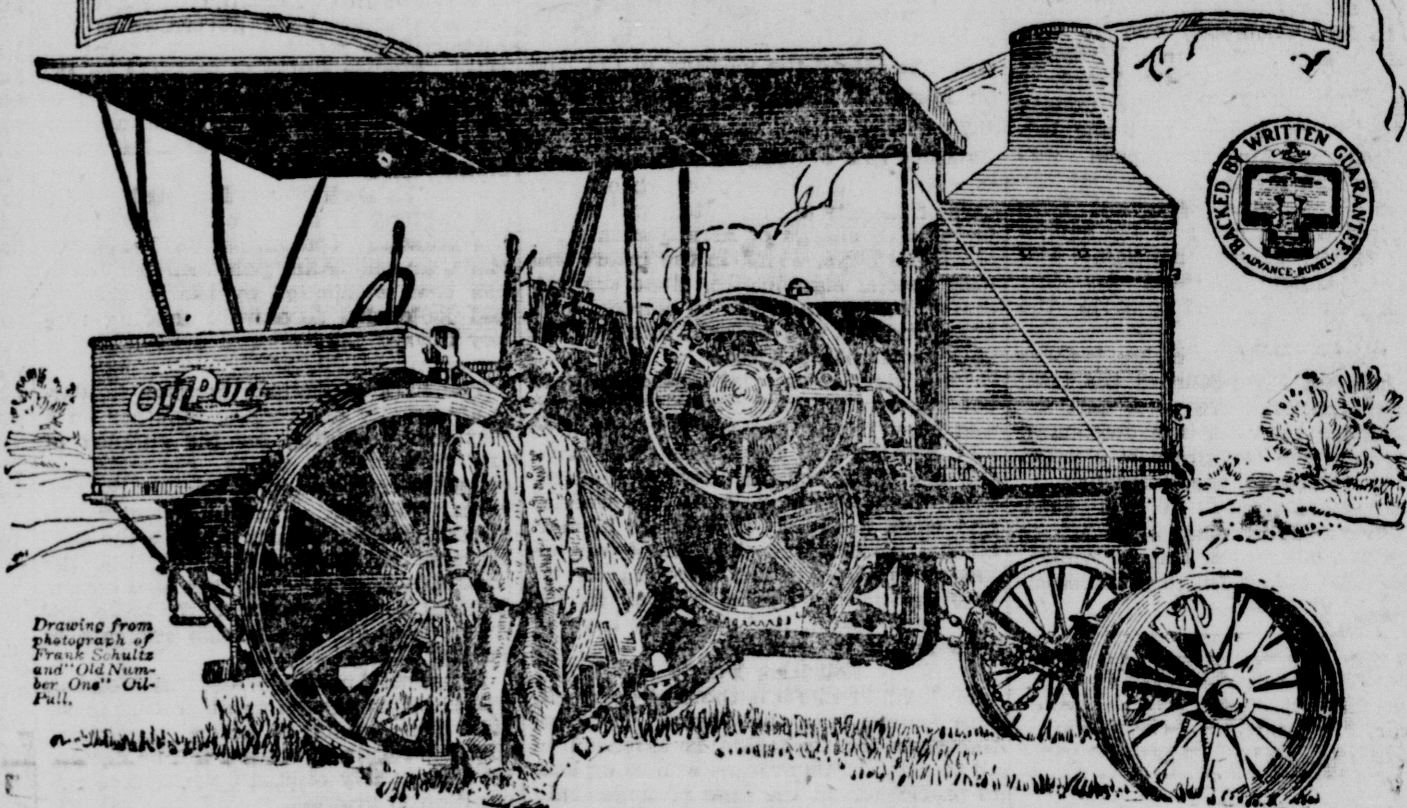

"In my day I've operated a good many different makes of tractors, but I have yet to see one that will last and stand up like the Rumely OilPull. All the repairs that have been bought for 'Old Number One' would not amount to \$200."

What a tractor can do is best told by what it has done. What "Old Number One" OilPull has done during all these years sets a record for tractor performance that anyone can well use as a standard by which to judge any tractor made.

Moreover, into every OilPull is built the same long life, dependability and economy that "Old Number One" has proved out—it's just an example of what OilPull tractors are doing today for over 8,000 owners.

You can now get a Rumely OilPull in a size to fit your farm—12-20, 16-30, 20-40 and 30-60 H. P. And to help us protect our customers' best interests, Advance-Rumely backs us up with near-at-hand service through its Branch Houses. Complete stocks of machines and parts are always kept in stock for immediate delivery.

FROM WARREN, O., PAPER—

The following is a very complimentary notice and highly deserved, of Charles H. Lowry, son of Mr. and Mrs. S. P. Lowry of this city, in connection with his duties as director of the string department of the Dana Musical Institute of Warren, Ohio, as taken from a Warren paper:

"The D. M. I. String Orchestra and soloists from the String Department of Dana's Musical Institute was the attraction at Dana Hall last evening."

"The entire programme was under the direction of Charles H. Lowry, director of the string department of the school, and he deserves much credit for the manner in which his forces presented themselves. It is safe to say that not in the history of old D. M. I. has the string department appeared at a better advantage. It was the common sentiment that it was the best program ever presented by these people."

"Mr. Lowry is surely to be congratulated. This is his first year as the head of the violin department, although he is not a stranger to the school of which he was a pupil many years ago. The soloists were all pupils of his and each in turn played with honor to himself and credit to his instructor."

Those assisting in the programme as soloists were: Lloyd Alm, Fairmont, Minn.; Elmer Slama, Racine, Wis.; Floyd Hahn, North Lima, Erwin King, Warren; Earl Shisler, Salem, O.; Bertha Schiele, Oklahoma City, Okla."

FOR MRS. PETRE—

Members of Dixon Circle, No. 73, Ladies of the G. A. R., at the invitation of their department treasurer, Mrs. Georgie Cupp, gathered yesterday afternoon at her home on Peoria avenue for a surprise for the hostess' mother, Mrs. Lewis Petre, Past President of the Circle, whose birthday anniversary it was. The surprise was quite complete. The afternoon was spent in social chat and in viewing a great many souvenirs of California and the Philippine Islands, sent by Mr. Petre's son, who was a soldier in the Spanish-American war. The souvenirs were beautiful and interesting and Mrs. Petre added to the interest for each guest by telling their history and use. Refreshments were served by Mrs. Petre's daughter and daughter-in-law, Mrs. Cupp and Mrs. Paul Brookner. Master Paul Brookner added to the pleasure of the afternoon by playing two beautiful instrumental solos and Mrs. Edna Charles gave two charmingly rendered vocal solos, for which Mrs. Cupp played the piano accompaniment. The Circle presented Mrs. Petre with a beautiful bouquet of carnations as a memento of a happy day, in addition to the wishes of all for a continuation of the succession of happy birthday anniversaries.

BIRTHDAY SURPRISE—

The pupils and teachers of the Adrian school, district 123, were invited to a surprise party at the home of Mr. and Mrs. A. B. July Tuesday, May 6th, the occasion being the tenth birthday of their daughter, Evelyn. The afternoon was spent in games and amusements of various kinds. At 5 o'clock a delicious supper was served. Miss Evelyn was the happy recipient of many dainty and beautiful gifts, given with wishes for many pleasant returns of the day. The teacher, Miss Ruby Craddock, remained over night as the guest of Miss Evelyn.

ST. JAMES' AID—

A regular business meeting of the St. James' Aid society was held Wednesday afternoon at the home of Mrs. H. A. Baken. Seventeen were present, including a number of guests, ladies from the neighborhood. Mrs. Perston Wolcott, of Temperance Hill, sister of the hostess, was also a guest. Among other plans made was that of holding a homebaking sale on Saturday, May 17th. Delicious refreshments were served by the hostess after the business session.

R. N. A. MET—

The Royal Neighbor lodge held a very good meeting last evening at 8 o'clock in Miller hall. In the absence of the oracle, Mrs. Fruin, the vice oracle, Mrs. Quadin, presided. Aside from the regu-

lar business, there was the initiation of one candidate and plans made to hold a box social the evening of May 21st to which the members of the Woodmen lodge will be invited. A program will be given in connection with the social. Acceptance was made of the invitation to attend with the Modern Woodmen the special Mothers' Day service to be held Sunday evening at the Methodist church.

ST. PAUL'S MISSIONARY—

A pleasant meeting of the St. Paul's Missionary society was held yesterday at the home of Mrs. J. C. Schuele. The afternoon's program opened with a number of selections on the Edison. Miss Bishop was in charge of the Bible reading; Mrs. Ruef gave an interesting paper on "In Lumber Camps and Mines," and Mrs. Unger had the lesson study for the day, Justice and Brotherhood. A number of beautiful thoughts were developed. Mrs. Otto Beier was in charge of the annual memorial service for departed members, paying beautiful tributes to the twelve who had passed beyond during the existence of the society. One of these, Mrs. Frank Hughes, died last year. Three missionaries in which the society is interested also passed away during the past year. Mrs. Beier closed her talk with Ella Wheeler Wilcox, poem, "As I Go Through the Valley." A social hour, during which delicious refreshments were served by the hostesses, Mrs. Schuele, Mrs. Johnson, Mrs. Unger and Miss Bishop, was enjoyed.

ST. JAMES' MISSIONARY—

An all-day meeting of the St. James' Missionary society was held at the home of Mrs. Ralph Lehman, May 8th, with thirty-two present, including a number of invited guests. A most excellent scramble dinner was served. After this the missionary program was given, as follows:

Song—Saviour, Sprinkle Many Blessings.

Devotional Service—Pastor.

Missionary Subject—Justice and Brotherhood. Lesson conducted by Mrs. Missman.

Bible Reading.

Discussion of lesson subject.

Reading—Mrs. Zimbeck.

Minutes and offering.

Song—Saviour, Lead Us.

The Lord's Prayer.

The next meeting will be held with Mrs. A. Blaine.

MAJ. AND MRS. McLAREN HERE—

Major and Mrs. I. Earle McLaren have just returned from a visit in Tucumcari, N. M., and El Paso, Tex., and will visit here briefly with the latter's mother, Mrs. Austin, and cousin, Dr. E. A. Sickels. On Monday they will leave for Washington, D. C., to spend a day there, and afterwards visit at Annapolis, where Major McLaren graduated. From there they will go to Fayetteville, N. C., where Major McLaren will take up his duties as superintendent of the Donaldson Military Academy.

AT LIGHTNER HOME—

Mr. and Mrs. Dorsey Lightner entertained at 6 o'clock dinner last evening in honor of Mrs. Lightner's brothers, B. H. Tunney, of Oklahoma City and James Tunney, of Geneva, Mr. and Mrs. A. L. Carr, of Dixon, also being guests. B. H. Tunney left this morning for Chicago after his visit here, the first in Chicago after his visit here, the first in

THE PROMOTER'S WIFE

By JANE PHELPS.

NEIL'S AUNT BECOMES INQUISITIVE.

CHAPTER LXXXIX.
I could see that Neil was terribly put out, although he made no reply when Frederick said he "would have to count him out." I also noticed that Mrs. Carter had heard the remark, and had glanced sharply at Neil as if to probe the meaning of what she did not understand.

I tried to talk naturally, and Frederick immediately followed my lead. Then Neil pulled himself together, and the remainder of the luncheon passed off pleasantly. Aunt and I left as soon as we finished, leaving the two men smoking. I had proposed going so that they might talk business if they wished. I wanted Frederick to believe in Neil, I couldn't help but wish he would go in with Neil on some of his deals. I was sure it would be a help to my husband in every way if only he could be associated with a man so humbly honorable in every way as was Kendall Frederick.

"What did Mr. Frederick mean when he said that he wouldn't go in with those men Neil mentioned? What kind of men are they?"

"I do not know them, aunt, I never have met either one of them." I was glad to be able to say so honestly.

"But surely Neil talks of his affairs to you. You must know if his associates are all right."

"No—Neil talks very little of his business affairs at home. He says the office is the place for business, not the home."

"In a sense he is right, yet often a woman's intuition is a help to a man. I rather liked that Mr. Frederick, what do you know of him?"

"Oh, we have known him a long time! he is always just as you saw him today. A plain blunt man, but straightforward and honest. He is very wealthy, and I can't help wishing he would become interested with Neil."

"He is older and would be a good influence," I added, knowing aunt would wonder why I was so anxious.

"But—you speak of him as if Neil needed some good influence. You aren't worried over anything in connection with him are you?"

"No aunt—that is not particularly. Yet he is in such big things for a man as young as he is. You must know that by what he has accomplished since we have been married. I don't believe there's another man his age in all New York who has made his money, not inherited it, that has done as well. You see if one inherits money they always have capital, but Neil had nothing, just a few hundred dollars he had saved."

"Yes, he has done wonders. But he was always very bright. His mother was a very clever woman. He inherits

many of her traits, pride of family in her voice."

I tried to chance the subject by talking of the different places of interest we passed, but something seemed to have aroused aunt's suspicion that everything was not quite all right for she returned again to the subject of Neil's business, and asked me many questions, some of which I could not answer, others which I did not care to.

"Have you visited Neil's new office? He was telling me he had lately taken a more commodious one?" she questioned.

"Yes, I have been there once. I do not go often, there is no reason why I should," replied, blushing to think of what had occurred because of my visit.

"I should like to stop and see it, if you have time."

"Certainly. We can stop off then walk up the Avenue to the theatre. We shall have plenty of time." We were going to a matinee.

When we reached the office the blonde stenographer was so frankly surprised to see us that she amused me immensely. I told her she could go right on with her work, that we had no wish to interrupt her, and that we would look around by ourselves. She had risen as if to accompany us when I said to aunt that we would go into Neil's private office. Fortunately he had not locked the door when he left.

"This is sumptuous!" Aunt exclaimed seating herself in one of the large leather chairs, while I took the swivel one at the desk. I had caught a glimpse of an envelope addressed in bold but fashionable chirography. Perhaps I might happen on to something I wanted to know.

"Yes, Neil has very good taste," I replied quietly drawing the envelope toward me as I spoke of the fine view from the windows.

IMPORTED DISEASES.

The department of agriculture is on
the alert to guard against a possible
outbreak of the dreaded foot-and-mouth
disease among the cattle of this country.The cause for immediate alarm is an
outbreak of the epidemic in England.
As the disease spreads among cattle
with far greater rapidity than does in-
fluenza among people, the necessity for
precaution is evident.There is little danger from the impor-
tation of animals right now, but one of
the appalling things about this trouble
is that infection can be carried by hu-
man kind, and some soldier interested
in cattle might visit an infected area
and without being aware of it bring the
germs home with him.All cleanly and precautionary meas-
ures should be practiced with scrupulous
care in these days. Many thousands of
our men have been exposed to infection
of various sorts, and in spite of rigid
measures may be the innocent means of
bringing disease from Europe.Somehow, we always like a boy whose

for a big and fitting celebration of Me-
morial day this year. Preliminary plans
which await only the settlement of
some details, have been arranged for
the day, and today a committee compos-
ed of Rev. E. C. Lumaden, Postmaster
W. F. Hogan, L. W. Mitchell and C. E.
Noble took up the solicitation of funds
necessary to a proper celebration of the
day. It was estimated that \$100 at
least would be needed, and when the
committee started its canvass this
morning it was thought no difficulty
would be encountered in raising the
sum designated.

Program Plans

Plans for the program of the day are
being worked out by Assistant Post-
master James Ballou, who is also Com-
mander of Baldwin Camp, U. S. W. V.,
and who is chairman of that committee.
The school children of the city, in ad-
dition to participating in the parade and
in the decoration of the graves of the
deceased veterans of all wars, will sing
a number of selections, and the West-
minster Male Quartet has also promised
to assist.

Want Military Records

Mr. Ballou who is also in charge of
the permanent records of the graves to
be decorated in Dixon and neighboring
communities has asked the Telegraph to
request the relatives of all Lee county
soldiers and sailors who lost their lives
in the recent world war, or who passed
away in cantonments in this country, to
communicate with him, giving military
records and burial places of the decas-
ed.Further details of the program for
the celebration of Memorial Day, which
comes three weeks from today, will be

mittee in charge of the reception and
entertainment will be held at the Elks
club on Thursday evening of next week
when other plans will be discussed.

Make it Biggest Affair

It is the plan of the committee to
make this reception for the members of
Company G and other returned soldiers,
sailors and nurses, the greatest event in
the history of the city of Dixon. No
expense is to be spared in making this
welcome home event one that will long
be remembered.It will probably require an entire day
to carry out the program, this depend-
ing entirely upon the time of the arriv-
al of the company in Dixon. If the prop-
er arrangements can be made automa-
tically will leave here at an early hour in
the morning going to Camp Grant and
bringing the company to Dixon. A
mammoth parade will be one of the
features of the reception and a speaker
of national importance will be secured
for this occasion. While the plans are
very incomplete at this time the name
of Governor Frank O. Lowden has been
suggested as the logical speaker at this
time. However, should the committee
be unable to secure his services, an ef-
fort will probably be made to secure
Attorney General Brundage.

May Erect Arch

A triumphal arch may be erected on
the west side of the court house where
the speaking will doubtless take place.
This has not been definitely decided up-
on, but was one of a number of sugges-
tions that were given serious considera-
tion by the committee at its meeting
last evening. The arch would extend
across the street and be electric lighted.
It would not be erected for this one oc-
casion only but be constructed so as to
stand throughout the summer at a point
to be designated on the main street of
the city and on the Lincoln Highway.Another feature of the reception is to
be a banquet to be served to the re-
turning soldiers at the Elks club. This
will doubtless take place at the supperhour and in the evening a dancing par-
ty will be provided for the soldiers and
their friends.The committee has no way of telling
at just what time the company will re-
turn to Dixon and there is some specu-
lation as to whether they will be dis-
charged as a unit or a few men at a
time. However, every effort is to be
made to begin work on this plan at
once. It is hardly probable from reports
that have been received here that the
company as a whole will be discharged
from the service earlier than the latter
part of this month or the first of June.

TROOP ARRIVALS.

Amendment to Pass

By Associated Press Leased Wire

Washington, May 9.—The National
American Woman Suffrage association
today made its first statement that it
has "definite assurances" that the suf-
frage amendment to the constitution will
be passed at the extra session of
congress.Information reaching Washington
today that Wm. J. Harris, the new sen-
ator from Georgia, who is now in Eu-
rope, has told President Wilson that he
will vote for the equal suffrage amend-
ment solution, which failed at the last
session of the senate by one vote. For-
mer Senator W. Hardwick, whom Mr.
Harris succeeds, voted against the
measure.Suffrage advocates said Senator Har-
ris' vote was not necessary to insurepassage of the resolution as a poll of the
new and hold over members of the sen-
ate showed more than the two-thirds
majority required.F. W. Woolworth Co.

Activities in Amboy

FARM COMMITTEE IN MEETING TUESDAY

The executive committee of the Lee County Soil Improvement association held a very important meeting at the office of County Advisor L. S. Griffith Tuesday afternoon of this week. Jas. H. Greene, junior extension leader of the state college of agriculture was present and addressed the members of the committee upon a new plan that is being adopted by many counties throughout the state. His remarks dealt with the possibility of a Lee County Junior Farm and Home bureau in which the young people of the several communities who are interested in pig club, calf club or canning club work, may be organized into one body.

In so doing the work would no longer be carried on directly through the county advisor's office. The work would be planned primarily by special committee from the soil improvement association who would work with a similar body from the junior farm and home bureau, which organization will have its own officers the same as any other bureau or association.

It would be necessary to charge a small membership fee, the cost of which would include an account book for a record of activities carried on by the boys and girls as well as a suitable pin or emblem. A portion of the expense of the work is paid from the federal funds and the balance is carried on as planned in the county during the coming season which is supplied by both the Lee County Soil Improvement association and the Lee County Breeder's association.

At this meeting of the executive committee it was decided to take the trip to the state school of agriculture either in June or before the harvest. A special train will take the members of the Lee County Soil Improvement association to the school and return on the same day. Cards are to be mailed out to the membership in the near future.

The purpose of ascertaining just how many members are desirous of taking the trip. In the meantime, any members or persons interested who care to visit the state college on this occasion are requested to communicate with the county advisor at his office in Amboy.

The committee decided to conduct a brief membership campaign this spring for new members. It has been previously announced that the annual membership fee into the association would be increased from \$10 to \$15 after June 1st, the additional \$5 to go to the state association. Farmers or farm owners who desire to become members of the association will be given this opportunity of enrolling before the increased membership fee goes into effect.

NEW COUNCIL IN ITS FIRST SESSION

The recently elected members of the city council of Amboy held their first meeting for the purpose of organization on Tuesday evening of this week. At that time a representative of the American-LaFrance company was present and discussed with the council a suitable auto fire truck for the town. No definite decision was reached and the representative will return to Amboy Tuesday, May 21, to attend another meeting at which time definite action may be taken.

Mayor Fred N. Vaughan at this meeting made his appointments as follows: City Marshal—J. H. Kollerich, Night Police—J. H. Holleran, Special Police—A. A. Carmichael, Public Engineer—F. W. Leake, Fire Marshal—Frank C. Vaughan, Fire Warden—B. F. Klapprodt, Health Officer—Dr. E. A. Sullivan, Water Commissioner—T. A. Reid.

Park Commissioners—H. H. Badger, J. C. MacKinnon, W. J. Edwards, City Collector of Special Assessments—H. H. Badger.

SHAW STATION MEN HURT IN BAD FALL

Sherman Shaw, Charles Baldwin and George McDaniels, of Shaw's Station, were the victims of a serious accident Wednesday at the Shaw home. They were working on a scaffold cleaning out the metal gutters on the house when the scaffold collapsed and the men fell some distance to the ground. Mr. Shaw suffered a fracture of one of his arms, and Mr. Baldwin a fractured arm and dislocation of the hip. Mr. Daniels was bruised and scratched, but escaped more serious injury by catching hold of one of the window sills as the scaffolding collapsed, thus breaking his fall. Amboy physicians were summoned and attended the victims.

FUNERAL HELD YESTERDAY

The funeral of Mrs. D. E. Thomas, of Amboy, who had been ill for some time and who passed away at the home of her daughter, Mrs. C. A. Owens in Amboy Tuesday evening, was held in Paw Paw yesterday afternoon at two o'clock. Rev. Canfield, former pastor at Paw Paw and of whose congregation Mrs. Thomas was a most active member came from St. Charles to conduct the funeral services. Burial took place in the Wyoming cemetery.

FOR AMBOY HOSPITAL

Next week, which will be observed as Health Promotion week throughout the state, will be devoted to a benefit campaign for the Amboy hospital. The Woman's club of Amboy have mapped out a week's campaign to start Monday, the committee in charge being composed of: Mrs. John M. Egan, Mrs. W. P. Barnes and Mrs. T. F. Dornblaser. A special program for each day of the week has been arranged and the women hope for a generous response to this call.

FARM MINIATURES

Two miniature farms will be exhibited at the annual Lee county fair at Amboy in August. The exhibit will be furnished by the Lee County Soil Improvement association, one being a min-

ature of the average Lee county farm, showing the model of buildings and acreage planted. The second will be a miniature of the model farm together with the various buildings.

GOT SEVEN WOLVES.

Edward Smith, who resides on the Reniff farm about three miles south of Amboy, has been successful in capturing seven half-grown wolves on the place. He displayed the scalps of his catch in Amboy a few days ago.

KINGDOM U. E. CHURCH

Rev. C. G. Unangst will preach at the Kingdom appointment on next Sunday afternoon at 2:30. It will be a Parents' Day service.

PEOPLE'S CHURCH

Rev. C. A. Alden, pastor of the People's church of Aurora and State Superintendent of Universalist churches in Illinois, will speak at the People's church next Sunday night at 8 o'clock upon the subject, "The Drives of Peace." This will be a rare opportunity to hear an unusual lecture with religious and educational merit.

GRACE U. E. CHURCH

Rev. C. G. Unangst, Pastor
Next Sunday will be observed as Parents' Day at Grace church. The red rose has been selected as the emblem for this day, and it is suggested that each one shall wear a flower in honor of father and mother. The Sunday school meets at 9:45 a. m. and there will be some special features in addition to the usual exercises.

At 10:45 a. m. the pastor will preach a Parents' Day sermon. Parents and children are invited to worship together in this service. Special music is being prepared for the occasion.

The K. L. C. E. will meet at 7:00 p. m. The topic, "The Lure of the World" will be considered.

The evening church service will be held at 8 o'clock. In many quarters there is a growing interest in Bible study. In view of the uncertainties of the present time, many people are anxious for a positive message; a "Thus saith the Lord." The pastor has a large chart, about fourteen feet long, which presents a key to the Bible. It was used at the ministerial meeting at Fain Haven last week and awakened a profound interest. Among other things, it helps the people to understand God's method of testing the human race from age to age. It contains a clear and impressive outline of dispensational truth and helps one to properly interpret the times in which we are living. Mr. Unangst will use the chart for the first time at Grace

church on next Sunday evening. Come and bring your Bible.

Chicago Passes One Night Without Crime

By Associated Press Leased Wire
Chicago, May 9. — A night having passed for the first time in many months without a larcenous crime of major moment, Chief of Police Garrity heaved a sigh of relief today and announced that in his opinion that Chicago is now practically free from bandits, safe blowers and burglars.

Three weeks ago the police started to arrest every known crook in sight and five hundred of them are now locked up on vagrancy or other charges or have left town, Chief Garrity said.
"It is probably the greatest raid of its kind ever made in the country," the chief said. He added that his men would continue to search for undesirable possibly overlooked. Sixty-five arrests were made last night.

CALUMET BAKING POWDER

"BEST BY TEST"

—a baking powder that makes it possible to be truly American in Baking Economy. There is no loss—no spoiled bakings—no re-bakings. It never loses its wonderful leavening strength—never varies.

Calumet is the world's biggest selling Baking Powder because it has proved to the world's housewives that it is the most dependable and economical. Used in the U. S. Army and Navy. A product of the largest, finest, most sanitary baking powder factory in existence. Try it. Have greater baking success, more delicious and wholesome foods.

CALUMET BISCUITS

3 Level cups flour

3 Level teaspoonfuls Calumet Baking Powder

1 Level teaspoonful salt

3 Level tablespoonfuls shortening

1½ Cups milk or water

This is positively one of the best biscuit recipes ever formulated. Cut out and paste in your recipe book for future reference.

A Word of Warning Worth Listening To

When you buy a pound of Calumet you get a full pound—16 oz. Some high priced baking powders are now being put on the market in 12-oz. cans instead of a pound. Be sure you are getting a pound when you want it. No short weights with Calumet.

GRIP, INFLUENZA

Hamlin's Wizard Oil a Reliable, Antiseptic Preventive

During influenza epidemics spray the nose and throat several times a day with one part Wizard Oil and two parts water, using an atomizer. If you haven't an atomizer, gargle the throat and snuff the mixture up the nose. This treatment sets up an antiseptic wall of defense against "flu" germs.

Chest colds and sore throat lead to grip. Stop them at once with Wizard Oil before they can develop into dangerous influenza.

Get it from druggists for 30c. If not satisfied, return the bottle and get your money back.

Ever constipated or have sick headache? Just try Wizard Liver Whips, pleasant little pink pills, 30c at druggists. Guaranteed.

Neolin Soles

It has been quite an expense to keep my boy in shoes because he is very hard on them. But since wearing Neolin Soles his shoe bill has been reduced 65%," says J. Ellison Allen of Amity, Arkansas.

On the importance of Neolin Soles as a money saving factor there are thousands of parents who agree with Mr. Allen. Because Neolin Soles give you wear where most shoes wear out quickest, they cut your shoe bill down.

Ask for Neolin-soled shoes when your new shoes are needed, either for yourself or for your children. You can get them at any good shoe store. And take your worn shoes to the repair shop and have them re-bottomed with Neolin Soles.

Remember—these soles are created by Science to be waterproof and comfortable, as well as long wearing. They are made by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heel—guaranteed to outwear all other heels.

After the "Flu"

—Fever or Cold

Clean the Acidity and Toxic Poisons Out of the Digestive Tract

Millions are now suffering from the after effects of the deadly "flu," a fever or a cold. Their appetites are poor; they are weak, and they are waiting for their strength to come back.

If these people could only realize that the return to health and strength would be greatly helped by giving attention to the stomach—that is, removing the acidity and toxic poisons from the entire digestive tract, making it act naturally, so that the body will receive the full strength of the food eaten—a great deal of suffering would be saved to humanity.

Everyone knows that the disease itself, and the strong medicines that have been taken, upset the stomach, leave it hot and feverish, the month dry, the tongue coated, a nasty taste, and no desire to eat. This is a poor foundation to build new strength on.

Now, tens of thousands of people all over this country are using EATONIC for the purpose of cleaning these poisonous after-effects right out of the system and they are obtaining wonderful results—so wonderful that the amazingly quick benefits are hardly believable, just as shown in the remarkable letter which is published upon the request of this sturdy old Civil War veteran. He is 77 years old. Read what he says EATONIC did for him:

"I am an old soldier, past seventy-seven years. I had the Spanish influenza and it left my stomach in an awful shape. I tried three different doctors but got no relief. As a last resort I sent and got a box of EATONIC and to my greatest surprise the very first tablet I took helped me. I can now eat anything I want, and feel fine."

Yours thankfully, Fowler, Indiana Dec. 4, 1918 C. S. Martin

P. S. If you can make any use of this letter (or suffering humanity, you are at liberty to do so. C. S. M.

This is only one case out of thousands. You should make the EATONIC test in your own case at once. You have everything to gain—not a penny can you lose, for we take all the risk. Your own common sense, your own feelings, tell you that a good appetite, good digestion, a good stomach, with the fever poisons and effects of strong medicines out of your system, will put you on the road to strong, robust health again.

You want to enjoy life again after you have battled with the "flu," fever or colds, or any other illness that has taken your strength. You want to get back your old-time vigor, be full of pep and enthusiasm—be able to work with ease, instead of listlessly, half-heartedly dragging out a mere existence.

So be sure to take a box of EATONIC home with you today. We cannot urge this too strongly. If EATONIC fails to give you positive beneficial results, it will not cost you a penny. There is no risk—the benefit is surely all for you.

EATONIC

FOR YOUR ACID-STOMACH

NOTE—Over 2,000 drug stores throughout the United States sell and guarantee EATONIC. If you cannot obtain EATONIC quickly at your drug store, do not be without it. Write us and we will mail you a big box at once and you can send us the box after you get it. Address: EATONIC REMEDY CO., 1014 South Wabash Avenue, Chicago, Ill.

SHARP BREAK IN CORN TODAY DUE TO MUCH SELLING

By Associated Press Leased Wire

Chicago, May 9.—Heavy selling as a result of the bearish character of the government crop report led to sharp breaks today in the open market. Notice that 4,000,000 bushels of Canadian wheat instead of the 1,000,000 bushels announced three days ago tended also to depress values. The May delivery, though, held comparatively firm owing to continued scantiness of receipts of corn. Opening prices, which ranged from 1c to 4½c lower, with July 1.61½ to 1.64 and Sept. 1.54½ to 1.57, were followed by a slight rally but then by renewed weakness.

Oats receded with corn. After opening ½c to 1½c off, with July 68c to 68½c, the market hardened a little, and then underwent a fresh sag.

Provisions were carried down by the action of hogs and grain. Selling however, was not aggressive.

Throughout the most of the day, the market averaged lower on the distant deliveries and higher on May. Prices closed nervous, at 3½c not decline to ½c advance, with July 1.63½ to 1.65½ and Sept. 1.55½ to 1.57½.

WILL GERMANY SIGN?

By Associated Press Leased Wire

Versailles, Thursday, May 8.—(Delayed)—The question whether Germany will sign the treaty or not is the pressing one of the hour. It is impossible as yet to gain an indication of the attitude of the German plenipotentiaries here, but information coming from German sources goes to show it is quite possible the Ebert-Scheidemann government is considering its fate if it should accept such a drastic treaty. It may choose to refuse to sign the treaty and go down in a blaze of patriotic glory.

According to this information the greatest shock to the Germans was given by the formula establishing the frontier of Poland, giving as it does, a great part of West Prussia and a considerable seacoast to Poland, in addition to large coal fields in upper Silesia. When the German delegates left home they expected to hear rather more moderate proposals regarding the Polish frontier and Danzig.

Reparations a Barrier.

The delegates also question the possibility of Germany paying reparation to the extent laid down by the treaty and they doubt whether they should sign clauses which they are said ostensibly to regard as impossible of fulfillment. They object to the surrender of their entire mercantile fleet, arguing that this would force them to pay an additional indemnity to England in freight for every ton of raw material imported, manufactured and exported under the virtual British monopoly of ocean tonnage which they assume would soon follow the elimination of the German mercantile fleet.
